

3 Bedroom Villa For Sale in Santa Bárbara de Nexe

Ref: Sargaço

Located in a very quiet area in Santa Bárbara de Nexe, this charming, fully renovated 3-bedroom farmhouse has the potential for 2 more bedrooms. The property has been extensively renovated to suit a contemporary lifestyle, without losing the rustic charm characteristic of traditional farmhouses.

The house is bright and spacious, with a pleasant and large living room that has been designed with the possibility of being divided to create an additional bedroom (4th). Fully furnished and equipped open-plan kitchen with access to the terrace and swimming pool. The master bedroom with wardrobes and an en-suite bathroom. Two further double bedrooms, one of which benefits from doors out to the swimming pool terrace. Shower room next to bedrooms 2 & 3. There is a further guest shower room close to the front door.

Inside, everything is new, from the electrical and plumbing installations, electric underfloor heating, tiles, windows and doors with double glazing and thermal break. It has pre-installation for air conditioning in all rooms, although this is rarely necessary thanks to the thickness of the walls, which ensures excellent thermal insulation.

In addition, there is a garage and a storage room with the potential to be converted into a separate apartment, including a 5th bedroom and a bathroom.

The mature garden, full of fruit trees, is surrounded by authentic stone walls, giving it a serene and welcoming atmosphere.
