

Land with project For Sale in Loulé (São Clemente)

Ref: P49

This project emphasizes finishes and details that maximize comfort and organization in a modern and glamorous setting. Designed to provide quality time for families, this residence prioritizes the harmony and comfort of its interior spaces, perfectly synchronized with nature and the exterior areas.

The first floor features three suites designed for maximum comfort and relaxation. The ground floor includes an open-plan kitchen and living area, benefiting from generous natural light that extends the interior spaces to the exterior, highlighting the infinity pool. Leisure and entertainment are focused on the lower floor, which includes a cinema/games room with direct access to the solarium and jacuzzi.

A delightful solarium with a jacuzzi and fire pit invites relaxation and enjoyment of the privileged view over the Mediterranean landscape and the warm tones of the Algarve sunset. This floor also includes a bright office, a spacious games and/or cinema room, a garage with capacity for two vehicles, and a utility and laundry room, making it a versatile and multifunctional space.

The generous open-plan social areas of the living and dining rooms and the kitchen extend to the exterior deck. In perfect harmony with nature, in a region that enjoys 300 days of sunshine per year, this exterior space functions as a lounge, supported by a barbecue, an infinity pool, and a landscaped area where you can enjoy the surrounding nature, create fun moments with family or friends, or simply have time to relax.
