

3 Bedroom Villa For Sale in Santa Bárbara de Nexe

Ref: Açai

A detached single-level, 3-bedroom villa in a south-facing, elevated position with open country views. A corner plot with two separate electric entry gates.

One electric sliding gate opens onto a calçada driveway which leads to the front entrance door. An entrance hallway with double doors to the open-plan lounge with wood burner fireplace & dining area. Two sets of patio doors open onto the shaded terrace with the pool and garden beyond.

The dining area leads to a fitted kitchen with good-quality wood units, granite surfaces and top-quality appliances.

The master bedroom has an en-suite shower room with underfloor heating and patio doors to the south-facing terrace.

Bedrooms 2 and 3 share a large family bathroom and bedroom 4 (which has been converted from the garage) has an ensuite shower room and direct access from outside. Outside there is a laundry room, several shaded seating areas, extensive terraces and low-maintenance gardens with automatic Irrigation.

The swimming pool, renovated in 2017, is 10 x 5m.

Two separate workshops/storage rooms at a garden level below the terrace.

There are 8 solar panels on the roof terrace providing electricity to the house and separate solar panels for hot water.

The second electric entrance gate leads to an extensive parking area and a double
