

Real Estate building For Sale in São Brás de Alportel

Ref: Lake

Land with approved rural tourism project for house, pool and garage

Situated in the hills of the Serra do Caldeirão, just 20 minutes from Faro airport and 5 minutes from the popular town of São Brás de Alportel, this opportunity, offered with full planning permission for a Rural Tourism Project, gives you a truly unique opportunity.

This tranquil piece of land benefits from views, and access, to a picturesque lake. While the lake is public and to be used by everyone, it is rarely frequented other than by local friendly fishermen.

The project fully approved & ready to build of around 580m² for rural tourism can be extended up to 2000m². With the clearest night skies, this valley is a star gazers paradise. Ideal for hikers, mountain bikers, artists, bird watchers & anyone simply wanting to get away & relax. The bore hole benefits from a Grundfos solar pump.
